Dearest Parents in Messiah Yahshua,

May Yahweh's mercy and wisdom be poured upon you, in abundance, in Yahshua's Name. As it is written, "Light is sown for the righteous and gladness for the upright in heart." (Psalm 97:11).

Welcome to the Lettering exercises from the Scriptures, Release 1.02! The enclosed materials are presented free of charge for the children called by Yahweh's Name.

Background:

Although lettering exercises like this, based on Bible verses, are already available from Christian sources in the USA, they do not use the original Blessed Names. Thus it was felt that the time had come for us to have our own. The font used in this project was a custom made to facilitate rapid entry on the computer. For certain there are further refinements to be done. For example, it would be nice if someone skilled in drawing could make coloring-book styled pictures to be added to this work. [Contact us if you're the one!]

Going forward, a second volume has been preliminarily laid-out, but not yet captured on the computer.

The hardest part was the adaptation of Scripture to this work. Sometimes a good passage simply would not fit on the worksheet. A decision was made to paraphrase the King James Version where necessary. We're not sure we have got this quite right, even though the Apostles and even Yahshua himself quoted scripture in the same way on occasion. Thus these words are ADAPTATIONS of Scripture. You, the parent, must work with the child to insure you get across the message of the passage and that you agree with our methodology.

The efforts of the team are gratefully acknowledged:

The many flaws in this initial work are obvious to us, and so we ask your forgiveness in advance. We regret that Yahshua's Name appears only twice. We regret not praying for Yahweh's help sooner, because these delays have caused your little ones to wait. Like so many things in this walk, we experienced numerous setbacks until we prayed earnestly. Then, boom, everything fell into place. Please be patient with us as this is only our first try.

We ask you refrain from copying these for financial gain. This work is free, as Yahshua commanded, and free it should stay. Contact us at the address noted above if you need financial assistance in getting these copied for others.

May Yahweh grant wisdom and salvation to your home, through Yahshua the Messiah, our Sovereign.

Yours in Yahshua always,

Michael A. Banak
